Dick says,
"Have a happy birthday!"

Jane says,
"Have a day filled with FUN!"

yes!
yes!

Spot says,
"Have a really CRUMMY birthday."

Hi,

I hope you understand why I'm not
sending a check with this. I thought
the tires would be your B'day present. Let
me know if you'd rather have the money which
I assume you would use on the tires. (ha ha)

Still waiting to see what you do. I'd have
to figure how to get Kev and you equal.

Don't mind
SPOT.

He was
NEUTERED
yesterday!

Poor Spot...

But I say. Have a happy
happy, happy, Birthday..

Faps

Oh well, at least
he'll leave
YOUR LEG
alone from now on!

maybe!!!

DESCRIPTIVE BLURB: Suran Song in Stag

A rock trio whose influences include Gang of Four and the Go Gos tempts folks to abandon their living room for the bar-room based on stylistic disparity alone. The clincher: their live show includes fake blood, costumes, and film loops that offer the thrill and challenge of performance art jammed into traditional 3 minute rock songs.
